

Carpet Extractor Concentrate

Item Number: 8577-0601

U.S. Department Of Labor
Occupational Safety And Health Administration
MATERIAL SAFETY DATA SHEET
Required Under USDL Safety And Health Regulations
(29 CFP 1910.1200 "Hazards Communication Standard")

Section I

Manufactured For: Gabriel First Corp.
Emergency Telephone: 1-800-424-9300
Address: 233 W Commercial Street East Rochester, NY 14445
Trade Name & Synonyms: Carpet Extractor
Chemical Family: Carpet Extraction Cleaner
Prepared On: 06/01/2005

REACTIVITY	HEALTH MPP	FLAMMIBILITY
0	1 A	0

Section II - Product & Component Data

Chemical Names	CAS	%	PEL
TLV			
Isopropyl Alcohol	67-63-0	0	400ppm TWA
ACGIH			400ppm
2 Butoxyethanol	111-76-2	5	25ppm skin TWA
skin ACGIH			25ppm

Other Ingredients in this product are: Less than 1% by weight or less than 0.1% for carcinogens. Not Hazardous - Declared to be Trade Secret

Section III - Physical Data

Boiling Point: 212 F
Specific Gravity (H₂O=1): 1.015
Vapor Pressure: Unknown
Percent, Volatile By Volume(%):
Vapor Density(Air=1): Unknown
Evaporation Rate: About the same as H₂O
Solubility In Water: Complete
Appearance And Odor: Liquid, pleasant odor
pH: 9.5

Section IV - Fire And Explosion Hazard Data

Special Fire Fighting Procedures: Do not enter confined fire space without protective clothing and self-contained

air supply.

Flash Point/Method Used: None to boiling

Flammable Limits: Unknown

Extinguishing Media: CO2, dry chemical, foam, water spray

Unusual Fire And Explosion Hazards: None known.

Section V - Health Hazard Data

Effects Of Overexposure:

Eyes: Redness, irritation.. If inhaled irritation to the respiratory tract may occur as well as headache and nausea.

Skin: Nausea and dizziness may result from breathing vapors or from absorption through skin.

Swallowing: Of large quantities may cause drowsiness and loss of consciousness - stomach cramps pain, nausea, vomiting may occur.

Inhalation: If inhaled irritation to the respiratory tract may occur as well as headache and nausea.

Medical Conditions Aggravated By Exposure: None Known.

Emergency First Aid Procedures:

Eyes: Flush immediately with water for at least 15 minutes. If persistent irritation occurs, call a physician.

Skin: N/A

Ingestion: Drink large quantities of milk or water. Call a physician.

Inhalation: Remove exposed person to fresh air. Treat symptomatically.

Section VI - Reactivity Data

Stability **Conditions To Avoid**

Stable

Incompatibility - Materials To Avoid: Strong oxidizers.

Hazardous Decomposition Products: Carbon monoxide and other unidentified organic gases may occur during incomplete combustion.

Hazardous Polymerization **Conditions To Avoid**

Will not occur.

Section VII - Spill Or Leak Procedures

Steps To Be Taken In Case Material Is Released Or Spilled: Dilute with much water and flush to drain.

Waste Disposal Method: Dispose of in accordance with applicable federal, state and local ordinances.

Section VIII - Special Protection Information

Respiratory Protection(Type): Not needed under normal conditions of use.

Ventilation: Mechanical.

Protective Gloves: N/A

Eye Protection: Safety glasses/goggles.

Other Protective Equipment: May be needed if splashing or spray drift occurs.

Section IX - Special Precautions

Precautions To Be Taken In Handling And Storing: Do not get in eyes. Use with adequate ventilation.

Wash hands thoroughly after handling.

Other Precautions:

This information is given in good faith, but no warranty expressed or implied is made. Our company believes that it is accurate to the best of its

knowledge and relates only to the specific material designated herein.
